

# artetech

Large format, technically pressed porcelain panels

by artedomus

With our extensive experience, keen eye for beautiful, high quality products and deep knowledge of outstanding architectural surfaces, Artedomus has created Artetech, a carefully sourced and selected exclusive collection of Pressed Porcelain Panels.

Bench - Basaltina Nero  
Floor - Pietra Cardoso

Artetech porcelain panels are created specifically for use as bench tops, flooring and walls. Available in a variety of textures, finishes and sizes they suit a diverse range of applications and aesthetics.
